

## BLOODY IOWA BATTLE.

Two Men Killed and Several Wounded as the Result of an Old Feud.

A McCoy and Milton Haley Taken Out of Jail and Hanged by the Hatfields.

Jewish Merchants the Victims of Sharp Business Rivalry--Result of a White Cap Visit.

CHICAGO, Oct. 28.—A dispatch from Dubuque, Ia., says a feud of twenty years standing, culminated in a battle yesterday near New Hampton, the county seat of Creekview county, two men being killed and several others wounded. Thomas Daud, his two sons, Peter McKenna and a number of other farmers assembled at the farm of Robert Smith to assist in a barn raising. A feud has existed for twenty years between the Daud and McKenna families over the ownership of land. A quarrel took place yesterday afternoon when without warning Thomas Daud shot and killed McKenna. A friend of the murdered man then killed Daud, after which the battle became general. How many others were wounded has not been learned. A posse of officers was sent out from New Hampton and Daud's two sons and Mulva Hill, who shot Thomas Daud, have been brought to town and locked up.

A Hatfield Revenge.  
HUNTINGTON, W. Va., Oct. 28.—Information has been brought by a courier from Lincoln that a mob surrounded the Lincoln county jail Friday night, forced an entrance, took out Green McCoy and Milton Haley and hanged them. The two men are Kentuckians and allied to the McCoy faction of outlaws, whose murderous feud with the Hatfields is familiar to the public. McCoy and Haley were concerned in the recent killing of Al Brumfield and the wounding of his bride.

Sharp Business Rivalry.  
VICKSBURG, Miss., Oct. 28.—A. D. Simon and J. Feiber, employees of T. Hirsch, a merchant at Delhi, La., arrived here to-day and say that Saturday morning the stores of two or three Jewish merchants were attacked and fired into by a mob of fifty or seventy men, about 10,000 shots being fired, and the fronts and some of the stock of the stores greatly damaged. Business rivalry and the fact of the Jewish merchants monopolizing the trade is the reason assigned. A report from Delhi attributes it to a drunken crowd and says the respectable citizens had nothing to do with it.

Killed His Brother.  
NORTHVILLE, N. Y., Oct. 28.—A tragedy occurred near here late Saturday night. Oscar Barclay made himself notorious by visits to two women at the house of Samuel Covington. Barclay's father, two brothers and a dozen neighbors, disguised as white-caps, went to Covington's house, took Covington out, tugged and feathered and rode him on a rail. Going back for young Barclay, he met them at the head of the stairs with a gun. As the party came on he fired, killing his youngest brother, Fred. Barclay made no effort to escape. He was arrested yesterday afternoon. Four of the white-caps are under arrest.

Rube Burrows Again at Large.  
BIRMINGHAM, Ala., Oct. 28.—A special correspondent with hope after the notorious outlaw Rube Burrows, telegraphs that the outlaw has again escaped and he and his partner are on Sand Mountain. A skirmish took place between the parties to-day. The citizens of the country thereabouts are so afraid of Burrows that they do little to help the posse.

A special from Oneonta, Blount county, says Rube Burrows killed another officer this morning. He has driven the detectives into a cave and is standing guard over them.

The Philadelphia Tascott.  
PHILADELPHIA, Oct. 28.—The young man in prison here supposed to be Tascott, but who gives the name of Albert Sutherland, admits this is not his right name, but declines to reveal his identity. He declares he will not go to Chicago, if he can help it, giving as a reason that public sentiment will convict him, whether he be Tascott or not. The authorities here are strongly impressed with the belief that the prisoner is the sought-for murderer.

Stabbed by his Father-in-Law.  
FINDLAY, Ohio, Oct. 28.—Samuel W. Miller, cashier of the American bank was probably fatally stabbed last night by F. W. Stokes, his father-in-law. Stokes has been acting queerly for some time and it is thought he was out of his mind. He is in jail.

Swindled the Bookmakers.  
DETROIT, Oct. 28.—It is learned that the firm of Millman & Reilly, bookmakers, have been swindled out of nearly \$15,000 the past week by sharp sports who had a telegraph operator confederate. The operator cut the wires near the city and would hold the bookmakers' money until his confederates in the city had time to place their bets on winning horses, whose names they would receive direct from the track.

Why Blaine Declined.  
NEW YORK, Oct. 28.—The World's Florence, Italy, correspondent gives a statement by physicians who attended Mr. Blaine in 1888, to the effect that he was partially paralyzed and suffering with paresis and melancholia, and for that reason he wrote the letter declining to be a candidate for the presidency.

A Diphtheria Plague.  
LAWRENCE, Mass., Oct. 28.—The spread of diphtheria and scarlet fever is so alarming that in all the Catholic churches the priests yesterday warned the people not to visit each other more than necessary.

How Can Parents Allow their children to cough and strain and cough and strain and say: "Oh! it is only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by Bege's Cherry Cough Syrup? It has no superior, and few equals. For sale by all druggists. R. S. Hale & Co., wholesale and retail agents.

A gentleman who had suffered great annoyance and pain from barber's itch, and had been treated by the best physicians,

without relief, says that two bottles of Dard's Specific cured him and left his face perfectly smooth without a scar. It never fails in skin diseases. Sold by R. S. Hale & Co., wholesale and retail agents, Helena.

What on Earth Is the reason people will not, cannot, or do not see any difference in cheap nostrums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world-wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as Bege's Blood Purifier and Blood Maker, and every bottle that does not do its work will cost you nothing. For sale by all druggists. R. S. Hale & Co., wholesale and retail agents.

Hood's Sarsaparilla is purely a vegetable preparation, being free from injurious ingredients. It is peculiar in its curative power.

Bucklen's Arnica Salve. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by R. S. Hale & Co.

Croup Can Be Prevented. We want every mother to know that croup can be prevented. There is no question about this; as it has been done in thousands of cases, and you may depend upon it that when a child takes the croup, it is wholly owing to the negligence of its parents. True croup never appears without due and timely warning; a few hours, or a day or two before the attack, the child becomes hoarse. This hoarseness is the first indication of croup, and is a sure sign that croup is to follow, unless promptly and properly treated. The free use of Chamberlain's Cough Remedy as directed with each bottle, under the heading "to prevent croup," will dispel all symptoms of the disease. The first sign of croup, hoarseness, may be overlooked by young mothers of those not familiar with the disease. Under such circumstances, or when not properly treated, the hoarseness becomes more marked and the child shows symptoms of having taken cold, then a peculiar rough cough is developed. Even at this stage Chamberlain's Cough Remedy will prevent the croup, but after the cough has developed, the croup is liable to appear at any moment. The proper way, is to keep a bottle of this remedy at hand. It costs but fifty cents, and only a few doses, or, at most, not over one-third of a bottle is required to dispel all symptoms of the disease. Can you afford to risk so much for so little? There is not the least danger in giving this remedy in large and frequent doses, which are always required, as it contains no injurious substance. As proof of this fact, we refer to Mr. John L. Olson of Des Moines, Ia., whose 10-months-old boy drank the entire contents of a fifty-cent bottle of Chamberlain's Cough Remedy without the least injury. For sale by H. M. Parolen & Co.

When Baby was sick, we gave her Castoria.  
When she was a Child, she cried for Castoria.  
When she became Miss, she clung to Castoria.  
When she had Children, she gave them Castoria.

"Used Up,"  
"Used Out," "No Energy," and similar expressions, whenever used, indicate a lack of vital force, which, if not remedied in time, may lead to complete physical and nervous prostration. Ayer's Sarsaparilla is the best medicine to vitalize the blood, build up the tissues, and make the weak strong.

"For nearly three months I was confined to the house. One of the most celebrated physicians of Philadelphia failed to discover the cause of my trouble or afford relief. I continued in a bad way until about a month ago when I began to take Ayer's Sarsaparilla. It acted like a charm. I have gained flesh and strength and feel ever so much better. Shall continue using the Sarsaparilla until completely cured."  
—John V. Craven, Salem, N. J.

"I find Ayer's Sarsaparilla to be an admirable remedy for the cure of blood diseases. I prescribe it, and it does the work every time."  
—E. L. Pater, M. D., Manhattan, Kansas.
